With a never ending wave of solid-gold favorites, this high-energy show-band provides audience members with a reason to, time and time again, get up and head back out to the dance floor. Up front is lead male vocalist, Jeff Beatty, an accredited all-star specializing in Motown Hit's.

Joining Jeff up front are three outstanding female vocalists; Jennifer Hansen, Kelly Manning, and Holly Resnick, whose combination of lead and harmonies provide depth to solid gold arrangements like ABBA's Dancing Queen, Cheryl Lynn's Got To Be Real, Christina Aguilera's Candyman, or The Emotions Best Of My Love, just to name a few.
